Board discussed the CCN spring party and talked about holding the party at the Concord Museum. Janine agreed to follow up on potential locations for the spring party. Carolyn reported that Verrill Farm still offers cooking classes. CCN could identify potential dates and outline what we would like to cook. Cocktail Hour scheduled for February 28<sup>th</sup>.

Beer tasting scheduled for March 2<sup>nd</sup>.

There is a \$150 fee to Norm to lead the tasting and the average cost per bottle is \$50. Board discussed a potential date in the month of April. It was suggested that we may want to poll membership about interest in this event. David confirmed Wild Apricot has a poll feature that we could use to do this.

Carolyn and Dan are still considering dates for the blind wine tasting event in March. Board discussed need to reach out to membership for more board involvement. Each board member will reach out to members and invite them to the next board meeting.
